  - Energy, metals, food, chemicals, automotive pharmaceuticals ...

## Health

---

- For hospitals
- For home healthcare patients
- For hygiene and specialty ingredients

# What is the International Internship initiative?

# Examples of International Internships

*“It was a life changing experience!”*

*“My internship at AL China has been very rewarding both in terms of learning and for my personal development”*

# What is in it for you?

- The opportunity to gain invaluable insight into the day to day business and challenges of Air Liquide's diverse operations
- Working in one Air Liquide entity
- Discovering foreign Air Liquide entity culture
- The experience of a lifetime!

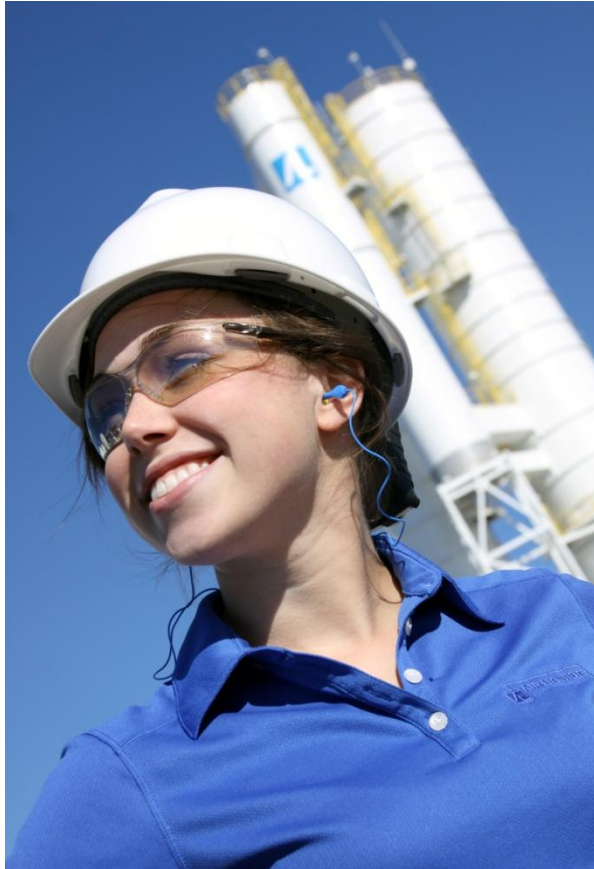

# Who is eligible?

## ■ Can you meet the following criteria?

- Over 21 years old
- As a bachelor or master student
- Studies of Business or Engineering
- Excellent academic record
- Advanced/Fluent in English (additional languages valued)
- Strong interest for industrial environment and AL activities
- Adaptable, curious, open-minded, looking for challenges

■ Then International Internship program is for you!

# How to apply?

- Email to your *local Air Liquide HR contact*: [mirela.aruxandei@airliquide.com](mailto:mirela.aruxandei@airliquide.com) by the end of February 2017.
  - your updated resume in English
  - an official proof of student registration for the current year
  - a cover letter
- If your profile is selected, show how great you are during the interview with your country HR team

**Good luck!**

# Thank you for your attention!

## See you soon!
